We will pick up **anywhere on your property**, as long as it's accessible and the location is consistent each week. **Rubbish must be in plastic bags**; no loose trash please! Cost is **\$12.00 per pick-up (\$24/week)**. This fee **covers up to three 30-gallon barrels or bags** (i.e. standard Rubbermaid barrel or large trash bag available at Eastham Ace Hardware). *\$4 fee for each additional barrel or bag.* Additional fees may also apply to service other than the standard schedule outlined above.

RECYCLABLES: Recyclables are collected on **Fridays** between the hours of 7:30 AM and 7:30 PM. Cost is **\$10.00 per pick-up**. This fee **covers up to one 30-gallon barrel or bag** of recyclables. See box below for more details and how to prepare recyclables.

To sign up for service please fill out the form below and mail to us with a \$60.00 deposit. Deposit is due prior to first pick-up date. You will be billed for the balance at the end of the season.

- ◆ Recycling is required by the State of Massachusetts and the Town of Eastham.
- ◆ We offer recycling services to help our customers recycle easily and meet these requirements.
- ◆ Eastham accepts newspaper, cardboard, mixed paper (includes magazines and cereal boxes), all plastics # 1-7, glass, tin cans, and aluminum.
- ◆ All recyclables must be clean with lids & caps removed.
- ◆ For CEM to pick-up, place all plastic, glass, tin and aluminum together (co-mingled) in a plastic bag. *New this year:* Put newspaper, cardboard, and mixed paper in a separate bag. This keeps it from getting wet and soiled.
- ◆ If you will not be using CEM to remove your recyclables, please instruct your tenants on how they should prepare and handle recyclables appropriately to keep them out of the rubbish. *Thank you!*
